Thank you for supporting our kids in 2015!

Our Auction features an exciting variety of items, experiences, and services in a wide range of prices. Many items you would be purchasing anyway, so why not “get a deal”, have fun, and support our kids all at the same time?

This overview will help you navigate the closings, get the best deals, and have a ton of fun!

Why are we raising money?

The money generated from our auction will help the CK8 Parent Teacher Student Association continue their mission to fund outdoor education and enriched curriculums for all students attending Cascade K-8 Community School. ***Cascade K-8 is small school with BIG goals.*** OUR PTSA believes in the power of enrichment and the wide reaching effects of being able to provide programs that inspire and support the kids’ own interests.

We aspire to give each child an opportunity to shine as we work hard to provide funding for music, languages, science, technology, art, and engineering programs for students and teachers.

Now it’s up to you! As you bid, keep in mind that EVERY DOLLAR goes directly to CK8 student activities.

So jump in, raise those pens, and BID for the KIDS! Together we can make this an evening to remember!

THANK YOU for your generous support!

THANK YOU to the Culinary Arts Program of Shorecrest High School,
under the direction of Tammi Johnston, for our meal tonight!

Shorecrest Culinary Arts is a yearlong program that introduces students to the food industry with hands-on training and experience. The students work in a professional kitchen, mirroring a restaurant environment. Throughout the year, students learn culinary skills and prepare and serve plated dinners, box lunches, and run catering events from our kitchen. Events run from small breakfasts, to buffets for 200. ALL proceeds from the dinners and catering events go back into the program and are used for food, field trips, equipment, and uniforms. Thank you for supporting our students!

AUCTION OVERVIEW

Guidelines on how this all works!

Bidding Instructions

Bid numbers are issued at the check-in table. Couples share the same bid number. Separate bid numbers are available upon request.

THE SILENT AUCTION:

The Silent Auction is divided into four different color coded sections:

1. Green (1000's) bidding closes at 6:15pm
2. Blue (2000's) bidding closes at 6:35pm
3. Purple (3000's) bidding closes at 6:50pm
4. Silver (4000's) bidding closes at 7:30pm

The catalog is also arranged in these sections. At the auction, the catalog number will match up with each item and its bid sheet. To bid: write your bidder number on the first available line on the bid sheet. Bids will go up incrementally by line. You may skip ahead to bid the amount you wish to pay.

It is suggested that you keep an eye on the items that you really want!

BUY IT NOW!

The Guaranteed Purchase Option

At the bottom of each bid sheet is a price that will guarantee that you will win the item. You may skip to the Guaranteed Purchase Line by filling in your Bid Number and drawing a line down the length of the sheet. This closes the item to further bidding.

EXPRESS PAY

Express Pay is a great new tool that minimizes check-out lines at the end of the evening. When you arrive at the Auction – please proceed to the Bank to check-in.

The check-in process now includes registering your Visa or MasterCard and providing the Bank with your mailing address at the same time as you get your Bidder Number. If you would prefer to pay by check, you may also leave the Bank with a signed blank check made out to Cascade K8 PTSA. Registering your payment method at check-in means that at the end of the night, you are able to skip checking out at the Bank and proceed straight to Item Pick-up, located at the Silent Auction.

If you would like to review your purchases at the end of the evening, you may visit the bank for a preliminary invoice. Final invoices will be mailed to all attendees within two weeks.

About your purchases:

- Unless otherwise stated, all gift certificates and services expire on April 4th, 2016
- All items are offered “As-Is”

Although we have attempted to describe auction items accurately, CK8 Auction Committee neither warrants nor represents and in no way shall be held responsible for: the correctness of description, genuineness, authorship, or condition of the property. No statement made in the catalog or elsewhere shall be deemed such a warranty or assumption of liabilities. Values listed are estimates only and are not warranted for fair-market value.

- The auctioneer will determine the winning bid.
- You may want to “go in” with friends on vacation type items. Be sure to check out all the packages and options before bidding begins.

31 Teacher Shereen's Private Swimming Lessons

Priceless

It is a proven fact that kids like to swim. Unfortunately, unless they know how to swim bad things can happen. And teaching a kid to swim is a task not to be taken lightly. First you have to fish out your old bathing suit which has been stuffed into the back corner of your underwear drawer for the past twelve years. And when you try it on and see there is no way you can wear it in public without being arrested, your heart sinks with the realization that you must, for the good of your children, go bathing suit shopping. Scientific research has shown that four out of five people would rather have an un-anesthetized root canal than go bathing suit shopping.

But you are a good parent so you buy an overpriced suit and stuff yourself into it and haul your precious little snowflake down to the public pool where they proceed to kick approximately twelve hundred gallons of super-chlorinated water into your eyes while they learn the back float.

And as you stand there, trying not to think about the urine content of the water that is currently turning your appendages into raisins, you see Teacher Shereen. She is standing twelve feet away in her jaunty swim costume, laughing and dodging a tidal wave of back-float kicks like a pro. Because that's what she does.

She teaches. And she can teach your kid to swim like a dolphin*.

One Week (4 – half hour/day) swim lessons with Teacher Shereen at the Northridge Swim Club during club assigned lesson times (generally Tues-Fri from 8-10am, subject to change by the Northridge Board).

Session week to be mutually agreeable. Expires 8/31/15
