

Greetings!

We need your help to **keep outdoor education and STEAM (Science, Technology, Engineering, Arts, and Mathematics) programming accessible** to our young public school learners in K-8th grades in the Shoreline and Lake Forest Park communities. We are asking you to support Cascade K-8 Community School PTSA as a sponsor for our Annual Auction & Gala on Saturday, April 11, at McMenamin's Anderson School from 5:00 - 10:00 p.m.

About us: Cascade K-8 Community School is the Shoreline School District's K-8 certified STEAM choice public school, drawing students from the entire district and beyond. The PTSA advocates for the academic and personal success of all students by fostering a culture of collaboration, exploration, and inclusivity through advocacy, parent education, volunteerism, and financial contributions.

What your sponsorship provides: The annual Cascade K-8 PTSA Auction & Gala provides the much needed funds that we use to support grants for teacher and parent-led initiatives and electives; our outdoor education Fall and Spring Camps for all students; a Writers in Residence program; scholarships for after school enrichment activities (such as art, music, coding, robotics, sewing, languages, etc.); and much much more! These programs are integral to the Cascade K-8 educational mission of supporting the academic and personal success of all students and cultivating a culture of collaboration, exploration, and inclusivity in our community.

Benefits to the sponsor: All sponsorships will be listed in the auction catalog and website. The auction & gala will have about 200 ticketed attendees, approximately 50 additional volunteers, and many others participating online. While we have pre-packaged sponsorship levels, as you can see on the following page, which include a variety of benefits, we are also open to working with you to create a package that works for you and your unique business needs. Reach out to us at our emails below and we will work with you to make it happen. Many sponsorship packages include auction tickets, and we would love you to join us!

Our goal is to raise over \$60,000 at this year's auction to help us support our students and we hope we can count on you to help us reach this goal! To see our sponsorship packages and benefits for each, please see the reverse side of this page or go to <https://CK8Auction.fundraiser.support>. Thank you so much for taking the time to consider our request.

Gratefully,

Sarah Piccari & Cara Hutchison
Cascade K-8 Auction Chair
